

Aspects of meaningful learning

Select, organize, and integrate relevant information with prior knowledge

Three images are displayed vertically on the screen:

- on the top is an image of three bullet points with the middle point highlighted;
- in the middle is a puzzle piece depicting a flow chart with the highlighted bullet point in one of the boxes of the flow chart;
- at the bottom is a puzzle piece with the words “prior knowledge” on it, which connects to the middle puzzle piece.
